12/20/2024: Graphic Solutions Schematic Design prepared.

10/28/2025: Coordinating with Graphic Solutions to provide revise scope and proposal for banner design. Will require structural engineer review at pool footings.

Projects Features

The project involves the design and production of branded banners for San Diego College of Continuing Education (SDCCE). The banners will be displayed across multiple campuses and will highlight SDCCE’s identity, mission, and commitment to the community. Featuring key messages like “Free Career Training” and “you Belong at SDCCE”, the designs will use consistent branding, impactful visuals, and inclusive language to promote the college’s program and value.

Project Site Plan

Look Ahead

Graphic Solutions will develop six SDCCE campuses, incorporating approved concepts, campus specific layouts, and consistent branding. The scope includes creating scaled drawings, locations plans, and construction specifications needed for fabrication and installation. One round of client revisions is included, along with budget estimates and final design packages for bidding.
